

KENTUCKY JUNIOR RODEO ASSOCIATION ANNUAL SPONSORSHIP FORM

The Kentucky Junior Rodeo Association (KJRA) is a 501(C)(3) non-profit organization, whose sole purpose is to provide a quality rodeo opportunity for Kentucky girls and boys who are attending kindergarten through eighth grade. KJRA consists of three age divisions and fifteen rodeo events, from calf roping to bull riding, barrel racing to goat tying. These events are just like any other rodeo, except that the rules have been modified and stock has differing specifications to accommodate age and ability.

The KJRA season is very expensive. Your generous contributions are used to provide awards for the season finals and/or to cover the costs associated with the finals. These awards include champion and reserve champion trophy buckles in each of the fifteen events, as well as for the all-around cowboy/cowgirl, and reserve all-around cowboy/cowgirl, along with queen and princess trophy buckles. Additionally, the all-around cowboy/cowgirl from each division receives a trophy saddle. There is no paid staff. All rodeo administration is accomplished on a volunteer basis. **All of your contributions go directly towards the rodeo program and awards.**

Below is a listing of the established categories of program support. The primary use of your contribution is to support the rodeo program, not to provide sponsor gifts. We greatly appreciate your support, as without it, the Kentucky Junior Rodeo Association could not exist. Please make checks payable to the: **Kentucky Junior Rodeo Association**. Cash contributions are discouraged.

ALL CONTRIBUTIONS ARE TAX DEDUCTIBLE.
